

PERIODIC PAYMENT BY CREDIT CARD AUTHORITY

College policy provides for payment of fee accounts by Instalment Plan. This includes the option to schedule periodic payment of instalment amounts automatically by Credit Card per term.

Please note:

- **The College can only accept Visa or MasterCard.**
- Standard instalment plans by Credit Card operate for 10 months (February to November) or for four terms (quarterly) per year. Amounts will be charged to Credit Card accounts on the 15th of each month (or the next available work day) for the frequency/duration specified. Custom instalment plans (e.g. fortnightly or ongoing payment) should be detailed below.
- Fee payers are responsible to advise the College where a card is cancelled, a new credit card has been issued or where any details of this payment authority have changed, or to advise cancellation of this authority in writing 7 days prior to the next scheduled payment.
